My Dear Lord Of All Protector Of Our Families
You Have Been So Kind To Give To Us The Mountains Flowing To The Seas
Please Forgive Us All For Forgetting Our True Destinies
This Ignorance Has Led This World Away From Integrity
To A Lower Level Where We Mutilate Each And Everybody
Oh Was It Help For This Greed We Need
Or Just The Proper Help That Protects Our Babies
Instead Of Stealing Eggs Like Snakes Slithering Below The Leaves
Growing Into Containers For Not This World To See
The Gift Of Life Taken For Granted In A Demonic Entry
Collections Of Lives Washed Down The Drains To Not A Lake River Or Sea
Into The Lions Den For Fillings Of Animosity
To Spread Throughout Civilization The Origin Of Seeds
Once Dinner For The Lion Now The Punch For Fathoming
The Anger For Each Other Now To Hate The Taste Of Destroying
The Ones That We Love Actually
The Lord Now Half Man Half Lion Be The Savior To Set These Miscreants Away
Upon The Lap Not In The Night Nor In The Day
Please Take Away These Facilities That House These Miseries
Our Glorious Crews Take Hold And Stop These Ships Sailing
Make No Entry Any Where East Or West Of The Red Sea
Take Hold The Ships That Hold This Wine The Juices Of You And Me
That Carry Our Future Generations In Waves Tossed Southerly
Between The Am Lock Hold Of Those Now Acting
For Those Children Be Not Theirs And Are Being Used For Distracting
Save The Children Southward Bound For Meals Worth Not Drinking
Save Our Future Generations That Are Sent For Mutilating
We Now Can See Why So Many Take To Sail Searching For Their Mates
Lost So Many Lifetimes Now Embedded In What We Ate
I Know We Have Another Chance So Let's Hurry Fast Don't Wait
Stop The Loss Of Our Future Dear Along The Stops For Resting
Look Between The Circling Roads The Trails For Passing

The International Cities of God

Used To Take All We Love For Causing Rage For Uprising
Stop The Plans Of The Black Widow From The Routes Of Southerly Sailing
That Gold Is For The People's Teeth To Stop This Crazy Ailing
Caused From The Mercury Sent For Driving
Everybody Around And Around Irritating
Please Bring My Gold Back North To Me
To Help Stop This Mess From Spreading
So We All Can Have Big Smiles Without Painfully Wailing
This Insanity Can Still Be Stopped By Singing And Dancing
And Lifting Up Our Hands And Chanting
Hare Krishna Hare Krishna Krsna Krishna Hare Hare
Hare Rama Hare Rama Rama Rama Hare Hare
Thank You All The Greatest Crews Working Hard And Playing
Thanks For Always Looking Out For Our Children's Safety
You Are The True Queens And Kings The Lord Sent For Protecting
You Hold The Keys That The DemiGods Control And Use So Sparingly
Waiting For Those Special Dates Like Birthdays And Weddings
To Shower All With Love From Children Praying
Remembering Always And Thanking

Bless You All Always With Love Of God From The Heavens To The Mountains To The Seas.....

Love You All Always,

Lala
